CHAIRMAN MESSAGE

**"WHEN EDUCATING THE MINDS OF OUR YOUTH,
WE MUST NOT FORGET TO EDUCATE THEIR HEARTS"**

It is matter of pride for me to pen down a message for the school

Our school is committed to offer the best in every aspect for the students to give them sound footing in this competitive world. Today, the quality of education is continuously scaling new heights and new benchmarks constantly set. Education being a very competitive sector, excellence is the only thing that rules supreme here and we are committed to the same.

We believe in the principle that education aims at the overall development of a child's personality, body, soul and spirit. In the age when morality and ethics are on the decline, we believe in instilling these age-old virtues in our students to make them not only academically sound but morally upright to help them face all the challenges in life. We do exhort our pupils to drive themselves towards their best performance, but remind them always that achievement must be framed by procedural limits and ethical boundaries.

Thapas Public School encourages students to learn about themselves and their constantly changing environment, while at the same time offers support and guidance as they practice Decision-making, Leadership qualities and Social skills. We are confident that our school is the best place for your child. We welcome your active interest and involvement in the progress and activities of your child. We look forward to your continuous support.

We pledge to fulfil the expectations of our Parent Community and set a benchmark that is unparalleled in the field of quality education.

My best wishes to Principal, dedicated staff, faculty members, students and parents who help the school in scaling new heights of success.

Mr. Dakarapu Krishna

Chairman

MISSION :

Our mission is to empower and enable rural students to become global leaders of tomorrow, promote an ambitious culture of learning and curiosity, well-rounded education in a safe supportive environment, to generate students' success through mentorship and individual attention, committed and competent faculty to produce high performing knowledge in them.

VISION :

Our vision is to ensure excellent learning skills that enables the students to achieve full potential targeted goals, enhance creative thinking with leadership abilities to explore the world, enriching traditional values.

Education is the key to unlock the world.

In Thapas every child glimpse their zeal.

PRE PRIMARY PROGRAM

The Pre-Primary Program caters to students aged 3 to 5 years. It includes the following Grades:

Some of the components of the Program are:

- Nursery
- LKG
- UKG

The Pre-Primary Curriculum provides an age-appropriate, activity-based academic plan for every grade. The curriculum content is based on the National Curriculum Framework, alongside best educational practices with an emphasis on every child's unique learning styles. Values, morals, and ethics for the preschoolers are weaved into our programs with stories & narratives to nurture & build a strong character, independent mind and confident leaders of tomorrow.

The main subject areas are:

- Communication and Language
- Personal, Social and Emotional Development
- Mathematics
- Expressive Arts
- Music and Movement

Only English Language is taught in Pre-Primary. Students can start learning additional languages from Grade I in Primary.
in exploring themselves.

➤ Story Time:

The story time motivates young minds and a development ideology in thinking, reading and ignite minds to speak with clear language.

➤ Activity Room:

The activity room makes the child to involve in activity with ambiguity and conquer the opponent and get identity in exploring themselves.

➤ Language and Literacy:

The story time develops language and listening skills. They can be drenching in the pool of education with exciting books we offer with innovating library.

➤ Outdoor Exploration:

Outdoor plays the fun and engaging way to keep the children active for the whole day to explore and participate in every corner.

A good opportunity meets the planning and decision

PRIMARY SCHOOL PROGRAM

► Value Based Education:

Our school promotes value based education for the improvement of the personal, social, moral and economic wellbeing of child. It's also core of the school's collective vision.

► Smart Class Enabled Campus:

Technology and education are a great combination if used for right reason and vision. Smart class is transforming teaching techniques from traditional way to interactive and graphical presentation. Every teacher is well trained with smart class programme in our school.

► Individual attention on the Student:

Student teacher ratio (30:1) in each class. Every child is a unique and has different pace of learning. Developing a positive relation between educator and student is main aspect of our school. We take a pride in the student teacher ratio.

► Parent Assimilation:

Our school believes in 3P's and 3R's.

- Parent Partnership Program.
- Respect Responsibility Relationship.

The way to achieve the true purpose of education.

► Parent Orientation Program:

The school communicates information on learning activity undertaken, curriculum development, new initiative and involve parents' advices in decision making. To ensure parental support and pro activeness to be part of the school and learning journey of the child.

► Parent Teacher Meeting:

Includes not only discussion regarding the academic performance of the student, but individual strengths, and areas of improvement. The interaction focuses on overall development of the child.

► School App For Communication:

Communication forms an intrinsic part of complete educational experience. By providing transparency to parents on their child's progress.

HIGH SCHOOL PROGRAM

► Inquiry Based Learning:

The students to ponder new concepts and ask questions to deepen their understanding. Naturally students are curious and eager to learn. Students are encouraged to think critically and creatively and actively participate in the learning process.

► Problem-Based Learning:

The student empathises with the practical application of knowledge to solve real-world problems. With this approach student work collaboratively in terms to identify, analyse and solve problems.

► Competency Based Learning:

Our teaching strategies focuses on helping students with Competency-based learning or Competency based Education (CBE) which is an outcome-based approach to education to ensure proficiency in learning by students through demonstration of the knowledge, skills, values and attitudes required for dealing with real life situations at the age and grade appropriate level.

► Project-Based Learning:

Working collaboratively in teams, students tackle these projects applying their knowledge to real world scenarios. It develops problem solving abilities and teamwork.

► Testing Methodology:

A methodology that boost up the skill with

- Weekly analysis in modern way like OMR based bubbling exam.
- Monthly analysis with cumulative pattern skill.

NATIONAL CADET CORPS (NCC) :

➤ Our school steps in renovating society by being enrolled in NCC to engage in nation building.

ABOUT PRINCIPAL

Committed Principal:

Mrs. Lata Yarlagadda did her schooling from Ballarpur, Maharashtra and her graduation from Hyderabad, Telangana and post-graduation MA in English from the Nagarjuna University, Guntur and B.Ed from SRSV College, Vijayawada, Andhra Pradesh. She has also done Diploma in Management from UNIVERSITY OF MINNESOTA, USA. She has been awarded with CIG (CERTIFICATE IN GUIDANCE OF ELEMENTARY SCHOOL CHILDREN) AND CERTIFICATE COURSE IN CHILD PSYCHOLOGY AND GUIDANCE from – IGNOU (Indira Gandhi National Open University). Mrs. Lata Yarlagadda is a proficient speaker of seven languages- Telugu, Hindi, English, Marathi, Punjabi, Gujarati and Bhojपुरi.

She is a dynamic Administrator and Educationist, with over 19 years of expertise in the field of education. She has a track record of successfully leading and motivating teams to achieve objectives and exceed expectations. She firmly believes in creating values for the society. She enjoys being with children and learning from their experiences. She started her career as a school teacher in English, headed the English Department and worked as a Primary Principal for the CBSE Section at Chaitanya Techno School, Vijayawada. In Dr. KKR's Gowtham School, she has worked in the capacity of a Secondary School teacher of English and then got promoted as a School Principal. She worked as a TEAM LEADER of Subject Matter Experts of English Department and Chief Editor of English at TautMore - Edutech(INDIA)

Mrs. Lata Yarlagadda is an expert in teaching subjects such as the English and Hindi. She is a versatile and experienced academic, team builder, a trainer and administrator with over one and half decades of experience in working in different school board. She is deeply interested in nurturing young talent so as to facilitate the realization of their potential and purpose in life. Her spheres of professional expertise include educational leadership and curriculum development, discipline and student management, resources management and parent relations. It has rightly been said by Margaret mead that " Children needs to be taught how to think, not what to think." and she is the strong believer of the above statement.

"It's an honour for me and I feel privileged to be part of the THAPAS that deeply cares about its employees and students and is known for reasoned self discipline and effort to achieve self-realization and success in life through education and practical knowledge".
Regards

Mrs. Lata Yarlagadda
